Moon Lantern returns to Richmond

On the 8th of September, the long waited for by the residents of the Richmond Housing Estate, Moon Lantern Festival came back!!

In a joined effort from community groups and agencies, people enjoyed lantern making, hula hooping and a delicious meal that included BBQ sausages as an entree, a Vietnamese main course, herbal tea from the community garden and the famous East Timorese tarts.

Many residents performed traditional and not so traditional songs to a cheerful audience culminating to a lantern parade around the estate.

Thank you all for coming and making this space safe, lively and fun!!
